

# ABOUT DIRTY *girls* MINISTRIES

Dirty Girls Ministries is a Christian anti-pornography ministry created to help women struggling with pornography addiction. Founded by author and speaker Crystal Renaud in February of 2009, Dirty Girls Ministries launched as a marketing and research website about women and pornography addiction. In less than one week, over 300 women participated in surveys as part of this anecdotal research. But as traffic to our website continued to soar and emails flooded in—we began to notice a movement among women and the Church, a desire to break the silence encircling pornography addiction.

## **Dirty Girls Ministries is offering that opportunity.**

Through confession, prayer support, resources for accountability and many other tools, Dirty Girls Ministries comes alongside women desiring freedom from pornography addiction. We also offer online recovery groups as well as coaching/consulting networks for churches and individuals wanting to begin addressing pornography with the women in their influence.

Our founder and director Crystal Renaud also available to speak to groups in various settings on the topic of women's pornography addiction.

# women AND PORNOGRAPHY

One of the things we hear most often from women is, "I thought I was the only woman who struggled with pornography."

## AND THAT IS SIMPLY NOT THE CASE...

According to a recent survey by **ChristianityToday.com**:

- 1 of 3 visitors to all adult web sites are women
- 9.4 million women access adult websites each month
- 17% of all women struggle with pornography addiction
- Women are likely to act out their behaviors in real life
- 70% of women keep their internet activities a secret

## THE MISSION OF DIRTY GIRLS MINISTRIES IS...

- Bring awareness to the porn problem among women
- Promote healing of our view of God and then ourselves
- Demonstrate the steps of recovery through proper self-inventory, surrender, confession, accountability and accepting responsibility

It is our hope that every woman who struggles with pornography, thinking she's alone, would discover that she's not. There are sadly many, many women just like her—but there's **hope** for recovery through Jesus Christ.
